EXPERIENCE

current

UX/UI Apprentice

The Binary Bootcamp

SANTA BARBARA, CA

- Studied and prepared Accessibility reports regarding issues on current website design.
- Performed a Usability study on the website and worked with development team to improve site experience.
- Designed a new direction for the site's UI in terms of color, logo, and fonts.
- Worked directly with CTO to review and organize information architecture.
- Developed mockup of website's new landing page that incorporates solid UX principles.

2018-2019

Designer

Siobhan Duran Architect

SANTA BARBARA, CA

- Worked with clients, contractor, and city of Santa Barbara to assess design needs and requirements and used these requirements to produce a thoughtful design solution.
- Developed sets of design and technical drawing documentation for construction.

2016-2018

Adjunct Instructor - Part-time

Santa Barbara City College

SANTA BARBARA, CA

- Constructed lesson plans for a course on Kitchen and Bathroom Design and gave lectures on a wide variety of materials.
- Worked one-on-one with students to help them solve problems and complete their design projects.

2013-2016

Designer/Project Manager

Winick Architects

SANTA BARBARA, CA

- Completed design and construction management of an \$8 million dollar home in Carpinteria, CA.
- Designed and managed the 15,000 sq. ft. Louis Vuitton Global Store in Honolulu, Hawaii.
- Coordinated design of LV store with LV Paris along with millworkers, glassworkers, etc., to solve code issues and produce a polished final result.
- Worked additional role as IT manager for the firm to manage computer and software issues.

Designer

2011-2013

Gigante AG

LOS ANGELES, CA

- Worked as Project Manager at a Design/Build firm for clients such as Anne Hathaway and Zooey Deschanel.
- Met and corresponded daily with Contractor, Interior Designers, clients, and sub-contractors.
- Managed work designation for the projects, including hiring and scheduling sub-contractors.
- Designed and issued detailed drawings and 3d models for custom features of the home.

Designer/Project Coordinator

Winter 2011

Plasis Design & Fabrication

LOS ANGELES, CA

- Managed work designation for the projects and coordinated with the lead designer to make sure project came in on time and stayed within our limited budget.
- Selected construction materials and finishes and oversaw purchase and delivery to site.
- Worked with CNC and laser cutters to fabricate installation pieces.

3d modeler/ animator

Summer 2011

IMO1

LOS ANGELES, CA

- Worked as a team to develop dozens of 3d models and animations for marketing purposes for the Beverly Connection Center Mall in Los Angeles, CA.
- Created detailed finished renderings of the completed 3d models for use at the mall.
- Worked with the Flash team to create an interactive website that included animations and renderings.

Project Design/Owner

2002-2006

Duran Muldoon Architecture

DUBLIN, IRELAND

- Bought and renovated an 1850s Victorian Terraced Home with my business partner.
- Designed the completed renovation of the home with my partner and did much of the construction work ourselves.

Designer

2003-2005

CCH Architects

DUBLIN, IRELAND

- Oversaw house design and construction for three separate homes in County Kilkenny.
- Collaborated on site with Contractor, Interior Designers, Structural Engineers, Landscape Architects and clients to resolve issues and introduce ideas.

Designer

1998-2001

Madeline Speer Associates

SAN FRANCISCO, CA

- Coordinated design of 14 high end boutiques in San Francisco and throughout Australia and Asia. Boutiques included Gucci, Hermes, and Bulgari.
- Managed work designation for projects.
